THE MOTORCYCLE AGAIN CAUSE OF ACCIDENT.

Frank Cox, of Elizabeth, Has Skull Fractured In Mishap.

DEAD MAN'S CURVE THE SCENE.

Richard Huffman, of Millersburg, Severely Injured.

With his skull fractured and the left side of his face crushed in, Frank Cox, son of Mr. Charles B. Cox, of Elizabeth, this county, was taken to the Good Samaritan Hospital, in Lexington, Tuesday night, as the result of a motorcycle accident.

His companion on the ride, Richard Huffman, son of Dr. W. V. Huffman, of Millersburg, was painfully, though not seriously hurt.

The accident occurred on the Paris pike, Tuesday night, at "Dead Man's Curve," just west of the L. & N. bridge, which crosses the Maysville and Lexington pike near the Country Club.

Huffman, who was a freshman in the College of Arts of Sciences at Transylvania University this year, was riding behind Cox on the latter's motorcycle, running at a rapid rate, according to Huffman, going toward Paris from Lexington, when, just as they came to the curve, Cox failed to make the turn, thinking that the place was farther on, and the motorcycle left the pike in the direction of the interurban tracks, and both the boys were thrown off. The motorcycle ran several feet further before the engine died.

Young Huffman carried his companion from the tracks in an unconscious condition, and they were taken to the Good Samaritan Hospital by C. H. Berryman, who chanced to be passing in his car and discovered the boys.

Huffman was visiting Cox at his home at Elizabeth, and they had been over to Lexington in the evening, being on their way back by way of Paris

The parents of both the boys came to the hospital Wednesday morning and young Huffman, whose injuries only amounted to a few bruises about the limbs, a scratch on the face and a dislocated wrist, was taken home.

Inquiry by telephone at the Good Samaritan Hospital last night stated that young Cox's general condition was very satisfactory, that he had regained consciousness, and that his physicians now had hopes for his recovery, though it was for some time thought his injuries would result fatally. An operation for trepanning the skull was successfully performed and the patient had rallied nicely.

"WETS" RETALIATE ON THE "DRYS" IN GEORGETOWN.

As a sequel to the move started by the "dry" faction of the Georgetown Democratic Council against the "wet" members, Messrs. Dunn and Fluke, two "wet" members, led an information Monday with the Clerk against Messrs. James W. Thacker and Leonard Hambrick, members of the Council, charging them with contracting with the city. They are called upon to answer the charge at the meeting of the Council next Friday night.

The "dry's" recently brought action in the Bourbon Circuit Court to have the "wets" ousted and Judge Stout granted an injunction restraining them from voting in their own cases.

TURNEY BROS. GLINT SUSPECTED OF BEING DRUGGED

Coming on top of the report of two-year-old Sam McMeekin being tampered with the other day, at the Hamilton, Ont., Jockey Club track, the news that Amos Turney's Glint had been drugged the night before created some little excitement among horsemen. It appears that some one broke into Glint's stall about 1 o'clock Wednesday morning and administered to the horse a powerful dose of what is supposed to be heroin. Glint was like a wild animal Wednesday morning when his people discovered him running around apparently blinded. A veterinarian was called, but it was during the afternoon before the horse was given relief. The Pinkertons have been put on the case in the hope of running the miscreants down.

WORTHINGTON APPOINTED RECEIVER OF DEFUNCT BANK

Judge Charles Kerr, of Lexington, Wednesday appointed William Worthington receiver for the defunct Bank of Kentucky, with instructions to wind up its affairs. This action has for some time been deferred under the representation of some of the stockholders that there was a chance for reorganization and reopening of the bank.

PARIS TO FOLLOW CHICAGO IN WEEK OF BABY SAVING.

"Two hundred and fifty thousand dollars' worth of free advertising, given to the campaign," declared Mr. J. R. Woltz, chairman of the advertising committee of the Babies' Welfare Organization, under whose auspices Chicago's campaign was recently held. Newspapers, moving picture houses and stores all contributed space to featuring this novel campaign.

Thirteen stations were established, where prominent physicians could be consulted free of charge about the care and feeding of the babies, and training nurses visited the homes to see that instructions were carried out; 350,000 booklets were wrapped around bottles of milk and were distributed by the milk companies to practically every home in Chicago.

Last year 970 out of every thousand babies so treated were saved and since the establishment of this organization on a larger scale even greater results are expected.

While Paris' efforts will not be on such a large scale it is expected that great good will be accomplished. The doctors of the Bourbon County Medical Association have voted to give their services as judges in a Better Babies' Contest, in connection with which several lectures and a Better Babies' Health Exhibit will be held.

The ministers will be asked to preach on baby-saving, and several days, if not a whole week, will be devoted to the greatest and most important class of people among us—the babies.

BASE BALL.

At a recent meeting of the club owners of the Ohio State League, presided over by President R. W. Reed, the principal matter under discussion was the financial condition of the Paris club. An official statement from President Reed says:

"At a survey meeting held in Cincinnati a strong declaration for completion of the season was made by a majority of the eight clubs, all of which were represented. Two desired a little more time in which to declare themselves, and it was decided to hear final reports on Sunday, July 5, at Ironton, O. The Cincinnati men who have financed the Paris Club were relieved from further liability on condition that they clean up all claims contracted prior to July 1. This cleaning up task is in the hands of C. W. Sturr for the time being, and the Paris club will be maintained in writing that I would oppose temperance legislation.

"Of course, that was utterly absurd and untrue. Every one in that Senatorial District knew that it was untrue. Now they have shifted their position, and, through Mr. Cantrill, claim that the pledge was given to Cantrill in an interview at the Phoenix Hotel.

"This statement has just as little foundation as the other, and upon its face is equally as absurd.

"I had no opposition for the nomination or from the Republicans, and certainly could not have said to Mr. Cantrill that I was about to be defeated, nor could I have appealed to him for help when I was not in need of help.

"I never made any such statement or promise to Mr. Cantrill, nor did I make any deal of any sort at any time anywhere with the liquor dealers in Paris to support me four years ago.

"And so with the statement that I did not support Mr. Cantrill after having run against him for Congress in 1910. I did not owe Mr. Cantrill personally anything, because he had given me his written pledge that he would not run against me at that time, but I owed to my party to support its nominee and I did so."

BECKHAM SURE TO CARRY THE THIRD DISTRICT.

He Will Also Give Stanley A Hard Fight In the Second.

THOMAS ALSO COVERING GROUND.

Bourbon Candidate Makes a Splendid Impression In His Campaign.

In a statement made here for the press, Hon. C. M. Thomas, candidate for the Democratic nomination for Congress from the Seventh District, said, regarding Congressman Cantrill's statement as to deals with the liquor people made by Mr. Thomas.

"Every one, by this time, must be familiar with the tactics of the liquor crowd in Louisville, for the wires are pulled from Louisville in temperance fights in Kentucky.

"There is no desperate end to which they will not go, or means which they would not employ, in the fight to hold political control of the territory whose people are still subject to them, and to regain that which happily they have lost.

"Two years ago when I was fighting in the Senate to pass the County Unit bill their claim was that I had appealed to the whisky interests of my district for support, and had given to those interests in return a pledge in writing that I would oppose temperance legislation.

"Of course, that was utterly absurd and untrue. Every one in that Senatorial District knew that it was untrue. Now they have shifted their position, and, through Mr. Cantrill, claim that the pledge was given to Cantrill in an interview at the Phoenix Hotel.

"This statement has just as little foundation as the other, and upon its face is equally as absurd.

"I had no opposition for the nomination or from the Republicans, and certainly could not have said to Mr. Cantrill that I was about to be defeated, nor could I have appealed to him for help when I was not in need of help.

"I never made any such statement or promise to Mr. Cantrill, nor did I make any deal of any sort at any time anywhere with the liquor dealers in Paris to support me four years ago.

"And so with the statement that I did not support Mr. Cantrill after having run against him for Congress in 1910. I did not owe Mr. Cantrill personally anything, because he had given me his written pledge that he would not run against me at that time, but I owed to my party to support its nominee and I did so."

THOMAS ENCOURAGED.

WINCHESTER, KY., July 2.—Hon. Claude M. Thomas was in Winchester, Wednesday night, a guest at the Brown-Proctor Hotel, and left on the northbound Louisville & Nashville train. Mr. Thomas was very much encouraged at his prospects of defeating Hon. J. Campbell Cantrill for the Democratic nomination for Congress in this district.

"The enthusiastic assurances of the support of my friends is very gratifying to me," he commented, "and I am very much pleased at the outlook."

Mr. Thomas expressed his pleasure at the strong resolution of endorsement of his candidacy passed recently by the local auxiliary of the Woman's Christian Temperance Union.

FINE ADVICE.

White every indication points to Gov. Beckham's overwhelming nomination in the Senatorial Primary in August, his friends should not take the fact for granted and stop working for him. We urge his friends in this county, therefore, to be on the watch.

CLARK COUNTY W. C. T. U. ENDORSES THOMAS.

At a recent meeting in Winchester of the Clark County W. C. T. U. the following resolution was unanimously adopted:

"Inasmuch as Hon. Claude M. Thomas, candidate for Congress from the Seventh District has publicly announced himself as unequivocally for temperance and declared himself opposed to any measure which is antagonistic to the cause of prohibition in Kentucky. Therefore, be it resolved, that we, the members of the Women's Christian Temperance Union of Winchester, do hereby endorse Mr. Thomas, and promise to cordially support him in any way possible."

THOMAS CLUB IN LEXINGTON.

A meeting of the friends of Hon. Claude M. Thomas, of Bourbon County, candidate for the Democratic nomination for Congress in the Seventh District, was held in the office of W. C. G. Hobbs, in the Trust Company building, at Lexington, Monday afternoon at 5 o'clock. About sixty per-

U. S. EXPRESS COMPANY RETIRES FROM THE FIELD.

The United Express Company withdrew at midnight Tuesday from the transportation field in which it has been active for sixty years. With the exception of a few hundred miles of electric traction lines, the mileage operated by the United States Express Company has been reassigned to the American Express Company, Wells Fargo & Co., and the Adams Express Company, the first two companies taking over the larger portion.

NO RAIN IN SIGHT—GARDENS SUFFERING FOR WATER.

All signs fail in dry weather, it is said, but the people need not expect rain any time soon. The indications now point to three more weeks at least of hot, dry weather, and if any people are disposed to pray for rain they now have a good opportunity to try their luck.

This long spell of dry weather is drying up the gardens and vegetables may be expected to be scarce during the next few weeks. The only hope for the garden is a late crop which may be raised after the rains set in.

THE "PRUDENT MAN" KEEPS HIS MONEY SAFE

IT IS IN

SALESMAN'S VIEWS.

FRANKFORT, KY., July 2.—Mr. George W. Thomas, of Louisville, a well-known traveling salesman, says in the counties he has traveled, which has been in all sections of the State, he finds 90 per cent. of the Democrats for Beckham. Mr. Thomas says Louisville will give Beckham from 2,000 to 5,000 plurality. He says it seems to be conceded everywhere, even by the Stanley and McCreary men, that Beckham is going to win, and that it might as well be unanimous. Mr. Thomas says he finds hundreds of independent and Republican voters who will support Beckham if he is nominated.

MONROE FOR BECKHAM.

TOMPKINSVILLE, KY., July 2.—Monroe County will give Gov. Beckham a good majority on August 1. Of the 900 Democratic voters two-thirds of them will support the ex-Governor.

A careful poll of the county shows this to be true. The Democrats here are in thorough accord with the principles advocated by Gov. Beckham, and opposed to the things Mr. Stanley stands for.

GOVERNMENT WILL ISSUE NEW SERIES OF POST CARDS.

Issuance of a new domestic postal card was ordered by the Postoffice Department at Washington, Saturday.

It is to replace the card now in use, which bears the profile portrait of the late President McKinley. The new card will bear the portrait of Thomas Jefferson. The only other difference in the cards is that the new ones are printed in green ink, while the old cards are printed in red ink.

Burglars have a way of finding out the house in which money is hidden. That's the burglars' business.

The man who hides his money in his house or elsewhere is always in great danger of losing both his MONEY and his LIFE.

Hide your money in our bank, behind our thick walls and strong locks and where men of known financial RESPONSIBILITY keep it SAFE for you.

C. K. THOMAS, Cashier.

Men Fight On Their Stomachs

Napoleon so said. A man with a weak stomach is pretty sure to be a poor fighter. It is difficult—almost impossible—for anyone, man or woman, if digestion is poor, to succeed in business or socially—or to enjoy life. In tablet or liquid form

Dr. Pierce's Golden Medical Discovery

helps weak stomachs to strong, healthy action—helps them to digest the food that makes the good, rich, red blood which nourishes the entire body.

This vegetable remedy, to a great extent, puts the liver into activity—oils the machinery of the human system so that those who spend their working hours at the desk, behind the counter, or in the home are rejuvenated into vigorous health.

It brought relief to many thousands every year for over forty years. It relieves you and doubtless restores to you your former health and strength. At least you owe it to yourself to give it a trial. Sold by Medicine Dealers or send 50c for trial box of Tablets. Dr. Pierce's Invalids' Hotel & Surgical Institute, Buffalo, N.Y.

You can have Dr. Pierce's Common Sense Medical Adviser of 1000 Pages for 35c.

RESULTS THAT REMAIN.

Are Appreciated by Paris People.

Thousands who suffer from backache and kidney complain have tried one remedy after another, finding only temporary benefit. This is discouraging, but there is one kidney medicine that has earned a reputation for lasting results and there is plenty of proof of its merit right here in Paris.

Here is the testimony of one who used Doan's Kidney Pills years ago, and now makes her testimony even stronger.

Mrs. J. T. Martin, Pleasant and Eleventh Sts., Paris, Ky., says: "I suffered quite severely from pains across the small of my back and in my kidneys. The trouble alarmed me and I tried a number of medicines. I did not get any relief, however, until I procured Doan's Kidney Pills at Wilson's Drug Store, (now Butler Co.'s Drug Store.) They improved my condition in every way. All I have ever said praising Doan's Kidney Pills was entirely correct and I confirm my former endorsement of this remedy. They permanently cured me of kidney trouble."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Martin had. Foster-Milburn Co., Props., Buffalo, N.Y. (adv-17)

A bathing suit is supposed to be too immodest to wear at a reception. But when a girl gets into an evening gown her chest and back are exposed about six inches further south than the tan line that marks the neck of her bathing suit.

A fellow will spend the two weeks' salary he drew in advance and then come back and talk about having spent his vacation.

Some women are so jealous that

after any sickness is purely a matter of nourishment, whether the attack was an ordinary cold, or severe illness; the weakened forces cannot repulse disease germs, and this is why a relapse is so often fatal, or chronic weakness often follows sickness.

Restoring strength to millions of people for forty years has proven the real need for taking Scott's Emulsion after any sickness; nothing equals it—nothing compares with it. Its pure, medicinal nourishment, free from alcohol or opiates, promptly creates rich blood, strengthens the nerves and lungs to avert tuberculosis.

SALE NOW GOING ON

BOURBON BANK & TRUST CO. RECEIVERS

ANNOUNCEMENTS.

We are authorized to announce Hon. C. M. Thomas as a candidate for the Democratic nomination for Congressman at the August primary, to be held in this county on Saturday, August 1, 1914.

THEATRICAL.

Columbia Theatre To-Day.

"The Godfather" (Reliance) two-part. This is a strong two-reel play and is well acted. It illustrates the inherited weakness of a youth given over to gambling. The distinction of character, the power of the vice of gambling over its victim and the futile efforts to resist the baneful fidelity to life. The play has an unusually powerful moral. The acting is good throughout and the photography, especially the dissolving effects, are up to the standard.

Another picture will be shown, entitled "The Passing of Izzy." Keystone comedy.

CARD OF THANKS.

We, the children of the late Mrs. George N. McKenney, desire to return our sincere thanks to the good people of Paris, who were so kind to us in our affliction and sorrow. There are some things that can never be forgotten, and this tender consideration of neighbors and friends stand out in the lead. To every one of them we extend our heartfelt thanks.

HER CHILDREN.

L. & N. EXTENSION FROM WINCHESTER TO McROBERTS.

Rails and switches on the old L. & N. line from Winchester to Paris, Cynthiana and Falmouth are being taken up, and will be used in the construction of more than fifty miles in branch lines along the main line from Winchester to McRoberts, to enable owners to get out their coal and timber. West Virginia capitalists have been in Winchester this week in consultation with Colonel T. G. Stuart with regard to the proposed purchase of a tract of fine coal lands in Eastern Kentucky. They left Wednesday morning for home, enthusiastic at the richness of the coal fields of that section, in which they will soon make investment.

FRANKFORT BUSINESS MEN PROTEST AGAINST LOCAL OPTION.

Two hundred citizens of Frankfort met at the court house Wednesday night to protest against a local option election in Franklin County on September 28. Many were prominent business men. J. Noel, President of the Farmers' Bank, and Henry Lindsey, Cashier of the National Branch Bank, were elected Chairman and Secretary respectively.

MATRIMONIAL.

ANNOUNCEMENT.

The engagement of Miss Agnes Saffel, granddaughter of Colonel E. H. Taylor, Jr., to James O'Rear, son of Chief Justice E. C. O'Rear, was announced Wednesday. The wedding will take place in the fall, in Frankfort, where both parties live.

SHINGLETON—MASTRIES.

County Clerk Pearce Paton issued a marriage license Wednesday to Mr. James Shingleton and Mrs. Alma Mastries, both of the city. They were married by Rev. J. S. Sims, of the Methodist Church.

LEER—TRIBBLE.

The marriage of Mr. H. Vernon Leer, of Bourbon County, and Miss Bessie W. Tribble, of Richmond, Ky., was celebrated Tuesday morning at 10:30 o'clock at the residence of their cousins, Mr. and Mrs. L. Theodore Smith, Lexington. The house was beautiful with flowers and growing plants. The happy couple left immediately for an extensive Eastern trip by way of Old Point Comfort to New York City, Atlantic City, Boston, Washington City and other points. After July 15 they will be at home at 440 Walnut Street.

The groom is a son of Mrs. Monroe Leer, of near Paris, and a cousin of Mr. Courtland Leer, of Lexington.

LOVELY—VIOX.

"Jimmy" Viox, star second baseman of the Pittsburgh National League baseball team, and former member of the old Lexington Blue Grass Club, was married to Miss Nellie Lovely, formerly of Paris, in Cincinnati, yesterday. The ceremony was performed in the parlors of the Havlin Hotel. Miss Lovely, who is the daughter of Mrs. A. J. Lovely, of 404 North Limestone Street, and a contralto singer at Broadway Christian Church Lexington, went to Cincinnati last Wednesday night, accompanied by her sister, Miss Lucile Lovely, of Lexington, and her brother-in-law and sister, Mr. and Mrs. Alexander Tingle, of Paris.

Viox played second for the Pirates in the game at St. Louis, Wednesday, and left immediately afterwards for Cincinnati, where he was married yesterday.

After the ceremony Mr. and Mrs. Viox left for Pittsburgh, where Jimmy will stick in the game until the end of the season, after which he and his bride will enjoy a belated honeymoon. Later they will reside at Viox's home in Reading, O.

The marriage ceremony was performed by Rev. Father McCloskey, of Reading, Ohio, the witnesses being Mr. and Mrs. Alex. Tingle, of Paris.

BURR GROUND MEAL.

Your grocer sells Burr Ground Meal. Give it a trial. Manufactured by MILLERSBURG MILLS.

BIRTHS.

Born—In Cincinnati, on Saturday, June 27, to Mr. and Mrs. Rudolph Gutt, a daughter—second born. Mrs. Gutt was formerly Miss Nora Napier, daughter of Capt. and Mrs. Jesse Napier, of Paris.

BOURBON LODGE I. O. O. F. ELECTS NEW OFFICERS.

The annual election of officers of Bourbon Lodge, I. O. O. F., took place Monday night, which resulted as follows:

Noble Grand—Samuel L. Ewalt. Vice Grand—George M. Bedford. Recording Secretary—P. J. McCord. Recording Secretary—P. J. McCord. Treasurer—Lawrence M. VanHook. Host—Chas. W. Fothergill. Relief Committee—L. M. VanHook. W. C. Dodson, G. W. Judy. Hall Committee—E. B. January, G. W. Judy, A. L. Slicer.

The auditing committee will meet to-morrow night at the edge room. The financial reports will be read and new officers installed next Monday night.

NOTICE TO STOCKMEN.

List your stock in M. J. Murphy's monthly combination sales. Plenty of buyers always on hand. We can sell your horses, mules, ponies, cows, cattle, hogs, sheep and poultry at good prices. Next sale will be held on Monday, July 6, county court day. (21ap-tf)

NOTICE TO STOCKHOLDERS.

You are hereby notified of a meeting of the stockholders of the Peoples Bank for the purpose of merging said Bank with the Deposit Bank of Paris, under the provisions of the Kentucky Statutes, and for such other business as may be brought before it. Said meeting will be held at the Banking House of the Peoples Bank, Paris, Ky., on the 22d day of July, 1914, at 2 p. m.

Yours respectfully,
W. P. ARDERY, President,
S. E. BEDFORD, Cashier.

30-41

NOTICE TO STOCKHOLDERS.

You are hereby notified of a meeting of the stockholders of the Deposit Bank of Paris for the purpose of increasing the capital stock of said bank from \$100,000 to \$150,000, and of merging this bank with the Peoples Bank of Paris, as set forth in the letter to stockholders and agreement made by directors of each bank, and for the purpose of attending to such other business as may be brought before it.

Said meeting will be held at the Banking House of said Deposit Bank of Paris on the 22d day of July, 1914.

Yours respectfully,
J. M. HALL, President,
C. K. THOMAS, Cashier.

30-41

EDITOR JAMES M. ALLEN STILL SHOOTIN' AT US.

Editor James M. Allen, of the Cynthiana Democrat, says, in the last issue of his paper:

"If it doesn't rain soon, Paris is said to be in danger of being consumed with scandal."

Are you merely alluding to allusions, Jim, or concluding from conclusions that rumors emanate from ruminations. Put us wise.

LEXINGTON WANTS L. & N. THROUGH TRAINS RE-ROUTED

The Lexington City Commissioner took up by letter to W. L. Mapother, vice president of the Louisville & Nashville Railroad Company, the subject of having the Louisville & Nashville main lines routed from Cincinnati to the South via Lexington and Winchester. They are now running via Paris and Winchester.

There is Only One Cooking Fuel, GAS

It is only a question of time when nearly every home in Paris will be equipped with a gas range. You can soon save the price of the range from the money it now costs you to cook with coal. Call up our office today and close a deal for kitchen comfort.

We handle the celebrated

GARLAND GAS RANGES.

Our Great Semi-Annual Clearance Sale

NOW GOING ON.

Such Savings As Are Offered By This Clearance Sale Are Extraordinary.

Coming in the very heart of the season, this great Semi-Annual Sale is of supreme importance to every woman in and near Lexington. The low prices it offers would be remarkable at any time, but they are particularly so at this time of the year. This is the sale that is always anticipated by our patrons in Lexington and all over Central Kentucky. They have come to recognize it as the one big value-giving event of the season.

Spring and Summer merchandise in highest demand is included in this sale—the very goods needed for present and future use—and the prices are substantially less than equal quality sells for regularly in Lexington.

There are no words strong enough for us to use in urging you to come to this Semi-Annual Clearance Sale.

Wolf, Wile & Co.

COMPELLED TO LOCK
DOORS.

On account of the immense
crowds attending the Receiver's Sale of Geo. McWilliams,
we were compelled to lock
the doors several times yes-
terday, in order that the peo-
ple could be waited on prop-
erly. We will have more
salespeople to-day and can
wait on you at any time of
the day.

Bourbon Bank & Trust Co.

L. & N. FREIGHT CLERK
SUSTAINS SPRAINED KNEE.

While handling some freight at the
L. & N. freight station, in this city,
Mr. Edwin Faries, a clerk, fell,
spraining his knee and sustaining
painful bruises.

TO-MORROW IS THE
"GLORIOUS OLD FOURTH."

To-morrow (Saturday) being the
"Glorious Fourth of July" the day we
all celebrate, and a legal holiday, the
banks and postoffice will be closed.
Don't forget this. Transact your busi-
ness with the banks on Friday.

CONDUCTOR JOHN DUVALL
INJURED BY AUTOMOBILE.

Mr. John Duvall, conductor of the
city car on the traction line, was se-
verely injured Tuesday afternoon,
near Nineteenth Street. Mr. Duvall
got off his car to reverse the trolley
pole when an automobile coming the
same direction, struck him in the
back, knocking him down and in-
flicting severe bruises. The machine
was driven by an employee of Prichard
& Ball. Mr. Duvall was able to re-
sume his run yesterday.

READ THIS CAREFULLY.

A meeting of all citizens of this
city and county who are still inter-
ested in the old Bourbon Fair, and
who would earnestly like to see it
revived will be held at the Court
House on next Monday, (Court Day),
House on next Monday, (Court Day),
really interested, are earnestly asked
to come to this meeting. Some-
thing of vital importance to the city
and county will be discussed. For the
good of Bourbon County, attend the
meeting.

COUNTY JUDGE McMILLAN
APPOINTS ADMINISTRATORS.

In the County Court Tuesday Judge
C. A. McMullan appointed Mr. V. W.
Ferguson as administrator of the es-
tate of the late Mrs. Margaret F.
Ussery. Mr. Ferguson qualified with
his brother, Mr. J. W. Ferguson, as
surety, giving bond in the sum of \$5,
000. C. K. Thomas and J. M. Hall
were named as appraisers. Judge
McMullan appointed Miss Georgia Bos-
ton administrator of the late William
Boston, with James McClure as surety,
in the sum of \$1,000. John Mc-
Leod qualified as administrator of the
estate of the late Mrs. Mary McLeod,
with M. R. Jacoby, Jacob Jacoby and
George McLeod as surety, in the sum
of \$3,000.

BLUE GRASS SEED HARVEST
SHOWS EXCELLENT CROP.

The blue grass seed harvest of
Bourbon County is completed and the
result shows a crop of excellent qual-
ity. Notwithstanding these facts,
however, the price is unusually low,
only 25 and 30 cents having been paid
for the seed from the stripper, and
about 50 cents for the cured product
for August delivery. These low prices
are owing to the fact that local
dealers have such large quantities of
old seed in storage and have not the
housing capacity for greatly increased
supplies.

One local seedman, N. Ford Brent,
has bought the distillery plant in East
Paris, known as the G. G. White Dis-
tillery, consisting of six large ware-
houses, for the storage of seed and
grain, and it is probable that others
will be obliged to build additional
storage room.

POPULAR BOURBON COLLEGE
GIRL ELECTED TEACHER.

Miss Ruby Wett Redwitz, of Har-
rodsburg, has been elected as teacher
of Piano and Voice of K. C. and B.
College, of North Middletown. Miss
Redwitz is a cultured and refined
young lady of splendid attainments,
holding the degree of B. S. from Bour-
bon College, in the class of 1912. She
studied also two years at Beaumont
College, taking music under Miss
Wilmore. Later she graduated under
Sherwood, of Chautauqua, N. Y.

Miss Redwitz has had three years
of piano work under Miss Giltnor, at
Bourbon College, Paris, whom Miss
Redwitz assisted while at Bourbon
College. The department of music of
K. C. and B. College, as well as the
people of North Middletown, have rea-
son for congratulations on securing
one so well qualified as is Miss Red-
witz to be the head of that depart-
ment.

PORCH SHADES.

We sell the beautiful and service-
able "No Whip" Porch Shades. They
will please you.

SULPHUR DRIES UP ECZEMA AND STOPS ITCHING

This Old Time Skin Healer Is Used
Instead of Just Like Any Old
Cream.

With the first application of bold-sulphur cream the angry itching attending any eczema eruption ceases and its remarkable healing powers begin. Sulphur, says a renowned dermatologist, just common bold-sulphur made into a thick cream will soothe and heal the skin when irritated and broken out with Eczema or any form of eruption. The moment it is applied all itching ceases and after two or three applications the Eczema disappears, leaving the skin clear and smooth.

He tells Eczema sufferers to get from any good pharmacy an ounce of bold-sulphur cream and apply it to the irritated, inflamed skin, the same as you would any cold cream.

For many years this soothing, healing sulphur has occupied a secure position in the treatment of cutaneous affections by reason of its parasitic-destroying property. It is not only parasiticidal, but also antipruritic, antiseptic and remarkably healing in all irritable and inflammatory conditions of the skin. While not always establishing a permanent cure it never fails to instantly subdue the irritation and heal the Eczema right up and it is often years later before any eruption again appears on the skin.

If a man would take more Candy and fewer Gourmets home with them there wouldn't be so many divorces.

When you are classifying the useless noises don't forget that made by a husband who is objecting to something his wife has made up her mind to do.

STOPS NEURALGIA—KILLS PAIN.

Sloan's Liniment gives instant relief from Neuralgia or Sciatica. It goes straight to the painful part. Soothes the Nerves and stops the Pain. It is also good for Rheumatism, Sore Throat, Chest Pains and Strains. You don't need to rub it penetrates. Mr. J. R. Swinger, Louisville, Ky., writes: "I suffered with quite a severe Neuralgia. Headache for four months without relief. I used Sloan's Liniment for two or three nights and I haven't suffered with my head since." Get a bottle to-day. Keep in the house all the time for pains and all hurts. 25c, 50c, and \$1. at your Druggist.

Bucklen's Arnica Salve for all sores, (adv-july)

BUCKLEN'S ARNICA SALVE FOR CUTS, BURNS, SORES.

Mr. E. S. Loper, Marilla, N. Y., writes: "I have never had a Cut, Burn, Wound or Sore it would not heal." Get a box of Bucklen's Arnica Salve to-day. Keep handy at all times for Burns, Sores, Cuts, Wounds. Prevents Lockjaw. 25c., at your Druggist.

WOMEN CAN HARDLY BELIEVE

How Mrs. Hurley Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Eldon, Mo.—"I was troubled with displacement, inflammation and female weakness." For two years I could not stand on my feet long at a time and I could not walk two blocks without enduring cutting and drawing pains down my right side which increased every month. I have been suffering with her stomach for years. I am glad I was told of the remedy.

Mr. Clark induced her to try Mayr's Wonderful Stomach Remedy. She got results right away. The he wrote:

"The medicine has done my wife a world of good, and I feel that it will cure her. I intend to keep on until she is completely cured, as you have been doing her more good than any one has ever done her, and she has been suffering with her stomach for years. I am glad I was told of the remedy."

Kentucky Man Tells How Mayr's Stomach Remedy Restored Wife

Mrs. W. H. Clarke Is Relieved After Years of Digestive Disorders.

Mrs. W. H. Clarke, of Central City, Ky., for many years suffered from disorders of the stomach. She tried many treatments with little encouragement.

Mr. Clark induced her to try Mayr's Wonderful Stomach Remedy. She got results right away. The he wrote:

"The medicine has done my wife a world of good, and I feel that it will cure her. I intend to keep on until she is completely cured, as you have been doing her more good than any one has ever done her, and she has been suffering with her stomach for years. I am glad I was told of the remedy."

Letters like that are written by users of Mayr's Wonderful Stomach

Remedy in all parts of the country. It proves its merit with the first dose—no long treatment.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretions and removes poisonous matter. It brings swift relief to sufferers from ailments of the stomach, liver and bowels. Many declare that it has saved them from dangerous operations and many are sure it has saved their lives.

Because of the remarkable success of this remedy there are many imitators, so be cautious. Be sure it's MAYR'S. Go to G. S. Varden & Son, drug store and ask about the wonderful results it has been accomplishing—or send to Geo. H. Mayr, Mfg. Chemist, 154-156 Whiting St., Chicago, Ill., for free book on stomach ailments and many grateful letters from people who have been restored. Any druggist can tell you its wonderful effects. An Ordinance

Ordering the Improvement of Main Street, in the City of Paris, Ky., from the South Side of Tenth Street to the North Side of Bank Row, with Bitulithic Paving or Creosoted Wooden Block Pavement Upon the Old Foundation.

[The following ordinance is to take the place of the Ordinance published on page six, which is void.]

Be it Ordained by the Board of Council of the City of Paris, Ky.:

Section 1. Main Street in the City of Paris, Kentucky, from south side of Tenth Street to north side of Bank Row, is hereby ordered improved by the removal of the present wearing surface thereof and by the construction of bitulithic paving, or of creosoted wooden block paving upon the present concrete foundation, the material to be used in the improvement of said street to be determined and selected by the Council upon receipt of bids. Said improvement shall be made in accordance with the specifications for the material to be selected as hereinafter provided, and the present concrete foundation shall be repaired or replaced wherever necessary to place same in proper condition for reception of the paving.

Section 2. The said improvement shall be done at the exclusive cost of the City of Paris, and shall be paid for in cash upon completion and acceptance of the work.

Section 3. The specifications for bitulithic paving herein above referred to are as follows:

SPECIFICATIONS FOR BITULITHIC PAVING.

The present wearing surface shall be removed from the present concrete foundation, and all material so removed shall be deposited by the contractor at the city quarry or at any other points which may be selected by the Mayor, such points, however, to be no further distance from the point of removal than the city quarry.

Upon the present concrete foundation shall then be laid the following:

SPECIFICATIONS FOR WOODEN BLOCK PAVEMENT.

The present wearing surface shall be removed from the present concrete foundation, and all material so removed shall be deposited by the contractor at the city quarry or at any other points which may be selected by the Mayor, such points, however, to be no further distance from the point of removal than the city quarry.

Upon the present concrete foundation shall then be laid the following:

MORTAR BED.

1. The concrete foundation must be wet by sprinkling just previous to laying the mortar bed upon it.

2. The mortar bed, at least one-half (1/2) inch thick will be laid upon the concrete foundation. It will be composed of one part Portland cement and three parts sand or screenings, both of the qualities specified for use in the concrete foundation, together with the least amount of water needed for the best results. It must be thoroughly mixed and thickly spread, rammed or struck off to a true surface. No mortar shall be laid upon wood blocks placed in their final position later than 30 minutes after the mortar is mixed.

3. The wood block pavement layer shall be 4 inches thick as required by the traffic and conditions of the street and constructed of materials and in manner hereinafter specified.

4. The wood from which the blocks are made shall be regular sound commercial merchantable long leaf yellow pine, which shall be well manufactured, sawn, cut, and free from the following defects: Unsound, loose and hollow knots, worm holes, knot holes, through round or other objectionable shakes, wane, bark, incipient of other decay.

5. No dead or second growth timber will be accepted and all timber shall be cut in a locality recognized as producing the timber specified. The number of annual rings shall average not less than six (6) per inch measured radially. All timber shall be well air-seasoned. The City Engineer or his inspector may at any time reject in bulk all timber that does not fulfill these specifications. The contractor shall give the City Engineer at least twenty days notice in writing the time and place of the beginning of cutting or treatment of blocks.

6. The paving blocks, cut from wood or lumber above specified, shall be well manufactured, truly rectangular and uniform. They shall be dressed on one side. The top and bottom both shall be evenly and smoothly sawn. No blocks shall vary in width and depth more than one sixteenth of an inch (1/16) from others, used on the same street or contract. The depth shall be four inches in thickness. The length shall not be less than six (6) nor more than ten (10) inches and shall average eight (8) inches long. The width shall not be less than three (3) nor more than four (4) inches, provided that all blocks used in one street or contract, shall be of the same width. The blocks shall average at least 75 per cent. of hard wood, and no block will be accepted that has less than 60 per cent. of hard wood.

7. The blocks shall be treated, preserved or creosoted as hereinafter specified, and each block shall contain at least 20 pounds of creosote oil per cubic foot of wood, or when a block contains much natural pitch it shall receive as much creosote as can be forced into it by the same process and pressure as is used in the treatment of the blocks of the same kind of wood which will receive 20 pounds of creosote oil per cubic foot.

8. The creosote oil shall be a dead oil of pure coal tar or wholly a pure coal tar product. It shall not contain more than three per cent. of water, and if it does contain this amount of water a corresponding correction must be more than three per cent. of water, and if it does contain this amount of water a corresponding correction must be made so that an equivalent additional amount of creosote is forced into the blocks. It shall contain only traces of Acetic and Acetates. Its specific gravity at one hundred degrees (100 degrees) F. (38 degrees Cent.) shall be at least 1.05 and not more than 1.10 so as to assure it thoroughly penetrating the wood blocks. The residue insoluble distillation with benzol and chloroform must not exceed 3 per cent. of the weight of the creosote oil. Fractional distillation of 100 grams of the creosote oil shall produce of dry oil by weight within the following limits:

Up to 150 degrees C. (302 degrees F.), not to exceed 2 per cent.

Between 150 degrees C. (302 degrees F.) and 170 degrees C. (338 degrees F.), not to exceed 1.5 per cent.

Between 170 degrees C. (338 degrees F.) and 235 degrees C. (455 degrees F.), not to exceed 35 per cent.

Between 235 degrees C. (455 degrees F.) and 300 degrees C. (572 degrees F.), not to exceed 35 per cent.

The residue remaining shall be soft and adhesive. The creosote oil shall contain about 25 per cent. of crystallizable naphthalene and at least 15 per cent. anthracene oils. At least 95 per cent. of the creosote oil shall be soluble in carbon disulphide and equally in absolute alcohol. The manner and methods of testing creosote oil shall be subject to the approval of the City Engineer.

The mineral aggregate shall be heated and mixed with a bitulithic cement at a temperature consistent with good workmanship. The whole mixture shall be hot enough when reaching the street to be capable of being spread and raked without difficulty, and not so hot as to injure the bitulithic cement.

There shall be spread over the bitulithic surface mixture a seal coat, using per square yard of bitulithic pavement approximately one-fourth gallon of bitulithic cement, into which shall be incorporated approximately twenty-five pounds of mineral aggregate not larger than one-quarter inch diameter. After spreading the seal coat, it shall be thoroughly rolled in to the bitulithic surface mixture.

Each layer of the work shall be kept as free as possible from dirt, so cylinder during the process the con-

densing steam, sap and other liquid matter shall be drawn from the receptacle by means of valves. At the completion of the steaming process all condensed steam and other fluid matter shall be blown from the cylinder through an opening in its bottom, and the steam shall be caused to pass out through an opening in the top.

10. The draining and exhaust valves of the cylinder shall then be closed and a vacuum pump shall immediately produce, as quickly as possible, a vacuum of at least 24 inches and as much more as may be necessary, and maintained in the cylinder until moisture and gases cease to come from the cylinder. During this process the wood blocks within the cylinder shall be kept hot by means of steam coils within it.

11. Immediately thereafter and while the vacuum exists, the creosote oil at a temperature between 130 degrees F. and 200 degrees F. shall be run into the cylinder and forced and maintained under such pressure that the wood blocks shall absorb and be impregnated with creosote oil to the amount required by Section 23 above.

The excess of creosote oil in the cylinder shall then be withdrawn, the blocks drained and prepared for shipment.

12. The blocks ready for use must meet the indentation test pressure made as follows: The blocks to be tested are first dried at 100 degrees F. during 12 hours. Then a polished steel die 1 inch square on its lower face, square edges, corners and perpendicular sides, is placed on a dried block firmly supported in a compression testing machine. A pressure of 8,000 pounds is applied quickly and maintained exactly one minute. The die must not descend and indent the block more than one-eighth of an inch.

The measurements are to be taken from when the die is lightly pressed against the block to the instant the 8,000 pounds pressure has been applied one minute. The die is placed anywhere within one-half (1/2) inch of the edges of the block and so as to compress lengthwise the wood fibres.

13. The wood blocks shall be inspected by the City Engineer at the place of manufacture or on arrival in the city where they are to be used or when piled adjacent to the street to be paved. All blocks not in conformity with the requirements of these specifications will be rejected and must be removed from the locality of the pavement to be laid.

14. The wood blocks are to be laid upon the mortar bed immediately after the bed is ready to receive them. The blocks are to be laid with close joints and at right angles to the curbs except otherwise directed by the City Engineer, and in uniform course, and so that all longitudinal joints shall be covered by a lap of at least three (3) inches. No closure or end blocks shall be used which are less than three (3) inches long. The paving blocks shall be jointed up to the car tracks and rails as directed by the City Engineer.

15. The blocks shall be laid in slight contact, and shall be properly rolled or rammed to a firm bearing and uniform surface.

16. No rolling or ramming shall be done within ten feet of the surface where blocks are being laid. All

blocks which are broken, split, or otherwise damaged or defective or displaced shall be removed immediately after rolling or ramming and replaced with sound blocks.

16. After the blocks have been laid and properly rammed, their joints for a space of three feet wide adjacent to and parallel with each curb shall be filled completely full of hot bituminous cement filler as herein specified. All other joints between the blocks shall first be filled with half full of said hot bituminous filler. Said filler shall be of a temperature to flow quite freely and it shall be thoroughly swept and rubbed into said joints with approved hand squeegees until all the bituminous filler is cleaned from the surface of the pavement.

17. Immediately thereafter and while the vacuum exists, the creosote oil at a temperature between 130 degrees F. and 200 degrees F. shall be run into the cylinder and forced and maintained under such pressure that the wood blocks shall absorb and be impregnated with creosote oil to the amount required by Section 23 above.

The excess of creosote oil in the cylinder shall then be withdrawn, the blocks drained and prepared for shipment.

18. Expansion joints shall be constructed between the curbs and the wood paving blocks to provide for the possible expansion and contraction of the blocks by heat or cold or otherwise. These expansion joints shall be constructed from three-quarter (3/4) inches wide, according to the width of the street as directed by the City Engineer, and shall extend the whole depth of the blocks, and shall be filled with a suitable bituminous paving joint cement acceptable to the City Engineer. Expansion joints of any required width shall be constructed at such other locations as the City Engineer may direct. Expansion joints must be completely filled with suitable strips of wood previous to filling the joints with the paving joint cement. The filler for the expansion and all other joints shall be regular Coal Tar Pitch or other approved bituminous cement that the City Engineer considers equally as good. In absence of instructions to the contrary, the pitch filler shall be of straight coal tar run to a melting point of 125 degrees—140 degrees F., carrying not less than 25 per cent. nor more than 35 per cent. of free carbon. Brittle point to be 15 degrees F.

Section 5. The contractor will be required to execute bond with surety to be approved by the Mayor in the amount of sum of twenty per cent. of the amount of the contract price for said work, guaranteeing said work against defective workmanship and material, for a period of five years from the date of the completion and acceptance of said work, and agreeing to repair and replace any defects appearing in said street during said period because of any defective workmanship or material.

Section 6. The contractor will also be required to execute bond to the city with surety to be approved by the Mayor, agreeing to protect and indemnify the city against and from any loss or damage which it may sustain because of any negligence on the part of the contractor.

Section 7. The contractor is hereby directed and authorized to receive bids for the doing of said work on Thursday, July 16, 1914, and is further directed to advertise for bids for

the doing of said work by advertisements in the Kentucky Citizen or Bourbon News, newspapers published in the City of Paris, such advertisement to be made in each issue of said paper between the date of this ordinance and the date fixed for the reception of bids.

Section 8. This ordinance shall take effect from and after its passage, approval and publication as required by law.

J. T. HINTON, Mayor.

Attest: J. W. HAYDEN, City Clerk.

A mere man can't understand it when the women say that skirts are well liked to be.

A. F. WHEELER & CO.

The sign "hot roast beer" on the front of an Italian eating and lodging house, in Charleston, W. Va., occasioned a stampede in Capitol street. The thirsty curious were disappointed when they found the proprietor of the place was the "guy" who put the "R" in "beef."

NEWS OF MILLERSBURG

noon in the directors' room of the Farmers' Bank. It will be pushed with a vim and we will make it a pronounced success.

The W. C. T. U. will celebrate close of the meeting the Council visited the electric light plant in a body and made a thorough inspection of the new engine and dynamo recently installed. Millersburg now has one of the best equipped electric light plants in Central Kentucky for a town of its size, having over \$5,000 worth of new machinery in operation.

The Millersburg Chautauqua is to be a go, and will begin July 28, continuing through Aug. 3, inclusive.

—Mr. A. M. Head, of the Confederate Home, at Pewee Valley, is the guest of his son, Mr. J. C. Head.

—The Ladies' Aid Society of the Christian Church met Wednesday afternoon in the directors' room of the Farmers' Bank. A committee was appointed consisting of Rev. A. S. Venables, Messrs. W. D. McIntyre, D. E. Clarke and Dr. W. M. Miller, to secure grounds, and make other necessary arrangements.

—Master Edward C. Hurst is spending the summer with Mr. Clifton Dallzell and family, at North Middletown.

—Mr. J. A. Butler and family attended the funeral of Mr. Hook, father of Mrs. Butler, at Augusta, Wednesday.

—The burglars were abroad in the town again Tuesday night, and made an unsuccessful attempt to enter the Bourbon Home Telephone exchange.

—Mrs. Mattie Purnell and daughters, Misses Bessie and Mary Agnes Purnell, are visiting Mrs. Frank Collier, in Paris.

—Mr. W. W. Hurst, of Dennison, Texas, Miss Nell Sweatman, of Cincinnati, Mesdames O. S. Kash and children, of Carlisle, C. W. Kash and children, of Shelbyville, are guests of Mr. and Mrs. D. M. Hurst and family.

—Mrs. Minnie Hurst and daughters, Misses Gladys and Amelia Hudst, will leave Saturday for a visit to Mr. and Mrs. Edward Cockran, parents of Mrs. Hurst, at Elizaville, where they will spend the greater part of the summer.

—FOR SALE—A good six-room brick residence on the southwest corner of Fifth and Miller streets. With never-failing water in the yard. This is a good location, convenient to depot, churches and schools. The same can be bought very reasonable. This is a splendid opportunity, as we will give you a bargain. For further particulars, call on or address:
